Dear Dr. Abdullayev:

Enclosed please find the results of the testing done on the samples you submitted to our lab recently (ISO# 2006096 and 2006114). I hope you are happy with them. As storage space here is scarce, we can keep these samples for two months (i.e. until May 27, 2006), after which time we will throw them out unless you have given us other instructions.

Bills for these analyses will arrive shortly.

Thank you for sending your samples to our lab.

Yours truly
